

PLANNING BOARD MEETING

June 8, 2009

Present: John Carpenter, Heidi Behling, Jen Corrigan, David Landry, Jo Carpenter - recording secretary

Chairperson John Carpenter opened the meeting at 7:08 PM.

Approval of Minutes

Jen Corrigan made a motion to accept the minutes of 5/11/09 as written. This motion was seconded by Heidi Behling and passed unanimously.

Correspondence

1. North Country Council - A Public discussion with NH Legislature's Groundwater Commission - June 9th at 6:30 PM in the Community Room Tech Village in Conway

Master Plan - Questionnaire

Jen Corrigan gave the Board a printout of the data from the questionnaire. The Board made recommendations to Jen on how they would like to see the data formatted for presentation.

If Jen has /Korey has the data for review again by the last week in June then the Board will schedule a work session. If it is not ready then it will be on the July agenda.

Other

1. Hamel Construction Subdivision - Fire Tank

John Carpenter filled the Board in on discussions that have taken place because a tank was shown in the easement area. It was interrupted to mean that the tank needed to be located in that exact spot. The Board agreed that in future subdivisions that the area of the easement will be shown but no depiction of the tank. This will allow the installers with input from the Fire Department to find the best location. John said that the Board also needs to think about access when location the easement area.

2. Utilities in Subdivisions

John told the Board that there has also been a lot of discussion about the location of utilities within the Hamel Subdivision. He said that he would like to see the utilities location be part of the subdivision approval.

Adjourn

The meeting was adjourned at 8:10 PM
