

BUILDING INSPECTOR REPORT

In 2007 14 building permits were issued:

New Home	2
Additions	1
Garage	1
Alterations/Renovations	4
Deck	2
Barn	1
Shed	2
Screened porch	1

If anyone is planning any kind of building project, including purchasing a pre-built structure, they should contact the building inspector to obtain a permit. There are quite a few state laws around both building and demolishing structures that must be complied with and the building inspector has the necessary paper work to comply with these laws.

If anyone has questions about whether or not a project requires a building or demolition permit, please call the building inspector **before** the project is started.

Rav Bennett, Building Inspector
